Subj: TARGETED AUGMENTATION PROGRAM (TAP) BOARD MARCH
2004

Ref: (a) JAGINST 1212.1B, Judge Advocate General's
Corps
Targeted Augmentation Program (TAP)

Encl: (1) List of Initially Eligible Officers

1. The next TAP Board is tentatively scheduled to convene in March 2004 and will be conducted pursuant to reference (a). This administrative board is normally comprised of five Navy judge advocate members.

2. Officers compete only against other officers in the same year group. Selection quotas and percentages will be determined once all applications are received. First look officers are those who started Naval Justice School in October 2001 or January 2002 (see enclosure (1)).

3. The following helpful hints are provided for those officers interested in applying for TAP:

a. Review JAGINST 1212.1B. This instruction sets forth guidance in preparing the TAP application.

b. The March 2004 TAP Board will be held in the Washington, D.C. vicinity. Members will not have access to officer microfiche files. Selection decisions will be based solely upon the application submitted by each officer.

c. Screen your TAP application for grammatical, correspondence, and spelling errors. Ensure that transcripts for both undergraduate and law degrees are included in your application. The sample TAP application available at enclosure (1) to reference (a), does not show transcripts as enclosures. However, paragraph 5.b of reference (a) does require transcripts. Please include all transcripts in your application. Original

transcripts are not required; legible copies are acceptable.

d. Fitness reports are very brief; therefore, TAP endorsements and recommendations are critically important.
